

TOUR OF THE BATTENKILL COVID-19 PREPAREDNESS PLAN

Last Updated: April 5, 2022

Tour of the Battenkill holds the safety of their staff, participants, volunteers, and attendees above all else. We're constantly monitoring health and safety guidance provided by the CDC and the WHO and we are currently working with stakeholders regarding the protocols and safety measures that will be implemented on race day to ensure that we meet or exceed all local guidance, rules, and regulations. Accordingly, this Plan is subject to further revisions.

COVID NOTE

If you're unable to attend the live event due to a confirmed COVID-19 exposure, a positive test result, or you are experiencing symptoms of COVID-19 no more than 14 days prior to the event, and no more than 48 hours following the event, please email COVID@venturesendurance.com.

EVENT PROTOCOL

- **Mask & Face Covering Requirements:** Masks and face coverings will be recommended in all event areas (course excluded) when six-foot distancing cannot be maintained for staff, volunteers, and participants.
- All participants are required to bring their own Personal Protective Equipment.

PRE-RACE

- All staff, volunteers, participants, and other applicable stakeholders will be subject to a self-reported health screening/questionnaire. This questionnaire must be completed and submitted prior to participation in event activities. Any stakeholder, participant, or volunteer who fails the screening, or does not submit a complete questionnaire dated as of the date of submission required, will be prohibited from participating or being present at the event.

CHECK-IN PROTOCOL

- While checking-in, participants must adhere to six-foot social distancing.
- Masks and face coverings are recommended in all event areas (course excluded) when six-foot distancing cannot be maintained for staff, volunteers and participants. Staff and volunteers will monitor all high touch surfaces and areas of activities and clean and sanitize such areas regularly.

APPAREL SIZE EXCHANGES

To reduce the number of touchpoints between the participants and staff, we will not be offering onsite apparel size exchanges for this event. Please login to your account and ensure your size is correct before attending the event.

TOUR OF THE BATTENKILL COVID-19 PREPAREDNESS PLAN

Last Updated: April 5, 2022

ON-COURSE PROTOCOL

- Please remain socially distanced while on the course.
- Aid stations will be modified and monitored by volunteers to remain safe and in compliance with CDC and local guidelines. It is recommended you bring your own hydration to the event.

FINISH LINE PROTOCOL

The finish line will require the participant flow in one direction and will have a designated entry and exit points so as to not obstruct the flow of traffic. Post-race hydration will be provided and will be self-service. **Masks and face coverings are recommended at the finish line.**

- Staff and volunteers will monitor all high touch surfaces and areas of activities and clean and sanitize such areas regularly.
